

West Shore Chamber & Members Donate Board Games to Local Hospitals

CAMP HILL, PA: During the week of November 11th, the West Shore Chamber of Commerce staff went around to deliver over 150 brand new, unopened board games to their local hospital members. These board games were collected at the 69th Annual Business & Industry Night and were graciously donated by their Chamber members. Playing off the theme of the evening, Board Games, the Chambers' Business & Industry Night Committee came up with the idea of giving back to the community to tie in the theme. With three major hospitals as members donations were split up between them and the staff went around to deliver the games to the hospitals. The first stop was UPMC Pinnacle Harrisburg Hospital, where they will be using the board games in their NICU and Pediatric Units. Next, Geisinger Holy Spirit to drop off their portion of the Board Games in the Emergency Department. The Board Games will be used in the ED during the holidays to give out to children who are in their care. Last, but not least, the last stop was to PennState Health Children's Hospital so they could be used for the children that are in their care at that location.
