### HAVE YOU UPDATED YOUR MEMBER DIRECTORY PROFILE?

If you are the main contact for your membership, you should have received an email recently asking you to verify your member listing information is up to date. It is important to go into your online member portal on our website to check as this is the information that the community and your fellow members see online. It is also important to make sure that your employee count is correct, especially if you have added any employees to your team so that they can attend events on behalf of your...
