

2026 ANNUAL GOLF OUTING NONPROFIT CHECK PRESENTATION

CAMP HILL, PA: On Monday, May 4th the West Shore Chamber of Commerce presented the Chamber nonprofit recipient of this year's Annual Golf Outing, Foundation for Free Enterprise Education, with a check for donation. The event was held at Armitage Golf Club. This is the ninth year that the Chamber has been able to give back to their members and the community with proceeds from the Annual Golf Outing.

Pennsylvania Free Enterprise Week is an intensive program that educates high school students about the American free enterprise system. Bringing motivated students together with business people from throughout the state. This unique concept in learning has enhanced the lives of over 54,000 young adults for more than forty years. During PFEW, participants not only learn to appreciate our free enterprise system, but they also see from a practitioner's perspective what it takes to be successful in an increasingly competitive global marketplace. Student companies simulate the actual operation of their own business for the equivalent of three years. Accented with motivational speakers and interactive learning exercises, this one-of-a-kind program furnishes a real-life educational experience for eager students. Sponsorship winners grasp the value of teamwork, cooperation and leadership, and are provided with an invaluable opportunity to develop communication skills. By living on a college campus in Williamsport, PA for the week, students also develop important skills in independence, such as time management and taking responsibility for their daily routines.

For more information about Foundation for Free Enterprise Education visit their website at Please see the photo from the presentation below.
