

Fine Art Photo Celebrates 75th Anniversary

CAMP HILL, PA: On Thursday, May 21st Fine Art Photo celebrated their 75th Anniversary with a ribbon cutting at the location in Lemoyne. The company was founded in 1951 as one of the first specialty photo retailers in the region and first photo lab in Central Pennsylvania. In 1954, they became the first photo lab in the area to develop color film. 75 years later they are proud to be among the small number still operating - not only in Central Pa, but across the country!

Congratulations to Gary Knaub and Tina Minkoff, the new owners of the family-owned business who took over after more than 40 years of working alongside their parents who now have officially retired.

Please see the attached photo taken from the celebration.
